

RACE

WORLDCUP REBELS

The Race Performance collection features tried and tested geometry merged with cutting-edge technology. Perfect for expert skiers, who demand new levels of speed and control.

RACING TECHNOLOGY

Feel the power of the same technologies used by our elite athletes, like EMC, Graphene and Titanal®.

TIP DESIGN

Narrower tip area for easier and less aggressive turn initiation, with an integrated tip protector.

SIDECUT

Longer radius geometries give a stable, predictable feel when you are racing, particularly on the e-Speed Pro.
