

TRUE 2.0 and PRIDE 2.0 are designed for beginners to intermediates looking for a fun, reliable board to progress their all-mountain and freestyle riding. The shape provides stable edge grip for carving, with a looser, more forgiving feel in the tips for easier turn initiation and smoother landings.

results in more torsional flexibility for a playful ride and adds edge control.

that's playful and stable, perfect for learning, cruising, and first tricks.

playful and forgiving at low speeds,
reliable and precise at high speeds.
