EX

Elevate your ride – the new EX delivers all-day comfort, precise control, and effortless handling on any terrain. Shock-absorbing pads and the Asymmetric Ergo Fit Highback keep you supported and comfortable, while Auto Open Straps make entry and exit quick and simple.

Built on a completely reengineered platform, the EX offers superior heel hold, seamless boot integration, and optimal power transfer. By combining fewer parts with detachable connections, the eco-focused design ensures reliable performance while simplifying maintenance and improving recyclability.

Available as EX ONE and EX FAY I, the FAY I features a women-specific highback designed for anatomical fit and all-day comfort.

EFFORTLESS COMFORT

with shock-absorbing highback pads, Ergo Fit Highback, Full Covered Footbed and Auto Open straps.

SUPERIOR CONTROL
