

FX

Built for easy riding and comfort – the FX series delivers a secure fit, smooth performance, and a forgiving flex, making them a great choice for all riding levels and terrain. Lightweight in construction and designed for hassle-free handling, they are ready for anything from first turns to full days exploring the mountain. The FX ONE LYT offers balanced performance and comfort for all-mountain use, while the FX FAY I LYT comes with a women-specific high-back for anatomical fit and added support.

EASY ENTRY

Auto Open Toe Strap folds out from the baseplate, making strapping in quicker and simpler.

SECURE FIT

Suspension Straps adapt to your boot shape for a snug, comfortable hold.

LIGHTWEIGHT

LYT construction reduces weight without compromising control or response.
