

TRIGGER & TIARA

Built for riders seeking a balance of performance, comfort, and versatility, TRIGGER and TIARA are core-performance boots ready for all-mountain action without breaking the wallet. Both feature a BOA® Focus Coiler system for quick, precise fit adjustment and a Thermofit Liner that can be heat-molded to match your foot shape. The medium flex offers the ideal blend of support and forgiveness, making these boots a reliable choice for progressing skills or riding all day in comfort. TIARA takes the proven performance of the TRIGGER and refines it for women – with a fit and cuff shape engineered to match female foot and leg anatomy and a softer flex, ensuring enhanced comfort, stance, and control.

QUICK, PRECISE FIT

BOA® Focus with Coiler tightens zonally and effortless for a secure, pressure-free fit.

RIDE ALL DAY

Medium flex balances support and comfort for versatile, fatigue-free performance.

TAILORED COMFORT

Heat-moldable liner adapts to your foot, women-specific fit in TIARA ensures optimal comfort and efficiency.
