

REV & EVE

Built for beginners and progressing riders, REV and EVE are designed to make snowboarding easier, more comfortable, and more fun from day one. With a forgiving flex and straightforward construction, they offer the perfect balance of support and softness for building confidence on the slopes.

Both boots feature the BOA® Coiler system for quick and hassle-free lacing, combined with a cushioned Comfort Cuff and a supportive liner that ensure all-day comfort. Lightweight and easy to handle, these boots keep the focus on progression and enjoyment.

EVE takes this concept into a women-specific boot, with a fit and cuff shape tailored to the female foot and leg anatomy for improved comfort, stance, and efficiency.

EASY LACING

BOA® Coiler system delivers quick, even tightening with minimal effort.

COMFORT FOR ALL-DAY RIDING

Soft flex and cushioned design reduce fatigue and make learning easier.

CONFIDENCE TO PROGRESS

Supportive yet forgiving construction helps riders improve with every run.
